HOWARD BUYS BURKES SHARE OF DEALERSHIP

J. Max Howard has announced purchase of the entire dealership of Burkes-Howard Chevrolet and Burkes-Howard Co., longtime Cameron farm and auto business partnership.

The new firm will be known as Howard Chevrolet and Implement Co., operating in the same location at 308 N. Fannin.

"It is a pleasure to announce that I have purchased the Burkes-Howard Chevrolet Co. and Burkes-Howard Co.," Howard announced. "I regret that Mr. E. J. Burkes is leaving the business since we have enjoyed some 22 good years as partners. I wish him every success in his future undertakings," Howard said.

Don Howard, son of the new owner, has joined the firm as assistant manager. He and his wife and daughter, Tamara Ann, 21 months, have moved to Cameron. They are now residing on Country Club Rd.

Burkes has announced no immediate plans, but will continue to look after other business interests.

"Howard Chevrolet and Implement Co. will represent the same Chevrolet motor division, International - Harvester farm equipment General Electric, Continental Belton and other allied lines that have always been represented under the former partnership," Howard said.

Exam Open For Postmaster Job At Buckholts

An examination for Postmaster at Buckholts, \$5,365 a year, will be open for acceptance of applications until August 13, the Commission announced today. This examination has been announced under revised qualifications standards agreed upon between the Commission and the Post Office Department.

Competitors for the postmaster vacancy in this city must have at least 1 year of experience (education above high school level may be substituted for 6 months of experience) showing that they have the ability to maintain simple records of accounts or that it has given them a knowledge of postal procedures.

Applicants must take a written test. Those who pass will be assigned final ratings on the basis of this test and on their experience, and fitness for the position.

Mrs. Schwinger Buried Monday

Funeral services for Mrs. Ella Schwinger, 67, were held 2:30 p.m. Monday at Marek Burns Funeral Home with Rev. William Waldrop officiating. Burial was in the Ben Arnold Cemetery.

Mrs. Schwinger was born March 10, 1896 in Washington County and had lived in the Milam County for the past 25 years.

Surviving are: 1 daughter, Mrs. Bertha Richardson of Corpus Christi; 1 brother, Ernest Schlemmer of Rockdale; 5 sisters, Mrs. Joe Dodson of Waco, Mrs. Bertha Hanel of Bayton, Mrs. W. H. Fisher of Humble, Mrs. Thelma Hood of Miami, Florida and Mrs. Ida Durnie of Cameron; 4 grandchildren and 9 great grandchildren.

Palbearers were Harold Dodson, Jack Dickinson, Albert Durmie, George Juergens, Bonnie Juergens and Johnnie Spicak.

New Season For 35 Boys . . .

Football Work Starts Aug. 5

Football practice will begin for the Cameron Yoemen at 8 a.m. August 19 according to new head coach George Kirk.

He and his staff expect about 35 boys out for the varsity and about 25 or 30 boys out for the freshman team.

"We don't plan to start full-fledged contact work until Wednesday," Kirk said.

Workouts will be the familiar two-day sessions with the morning workout from 8 to 10 a.m. for the varsity and 10:30 to 11:30 for the 9th Grade team. Morning workouts will be in shorts until the boys get into better shape he said.

"We are not planning to bring any 9th graders up to the varsity early in the season," Kirk replied to an often asked question.

The coaches have been moving into Cameron this week and all are expected to be moved in before Thursday.

Kirk said that the coaches have a lot of planning to do and they will be at coaching school this next week. They intend to have private sessions to acquaint the staff with the offense, defense and the policies of the new set-up.

He said that if any boy that is a freshman, sophomore or junior would like to come out for football this year they should contact Kirk or one of the other coaches.

The Yoemen will start their play with the Rosebud Black Panthers on Sept. 6 in Rosebud.

Kirk said he will set a date for the physical examinations as soon as he returns from coaching school.

Cameron All-Stars Drop Rosebud 9-7

The Cameron Little League All-Stars defeated the Rosebud All-Stars 9-7 in a special benefit game for the Little League last Saturday.

John McLerran was the winning pitcher.

The big deciding factor was the Cameron home runs. Cotton Bryan hit two and Mark Mayer and Lynn Weems each had one.

The tying run was a homer and the two run lead was another homer with one man on base.

A capacity crowd of about 700 attended the event.

Funeral Services Held For Woods

Funeral services were held in McGregor Saturday for L. C. (Carroll) Woods, former Yoe coach who died in a Temple Hospital last Thursday.

His teams in Cameron, McGregor and Mexia compiled a fine record and won many district and regional championships.

He was a coach from 1923 until 1947 and was principal at LaVega High School from 1947 until 1953. He is survived by his wife and a son, Bob Wood of Phoenix, Ariz.

STREET WORK CONTINUES AT THREE SITES

Heavy equipment has already cleared the pump station area of Little River of silt, according to Mayor Coleman Duncum.

And he said that logs causing the buildup of silt have been taken from the stream bed above the intake station causeway, clearing the river for adequate water storage.

Other city projects include continuation of street work on E. Fifth St., W. Sixth St. and start of a two-coat penetration on Bowie from W. Fourth to W. Sixth.

Mayor Duncum told The Herald that lettering for the new entrance-way of Cameron's Oak Hill Cemetery had arrived, but had not yet been placed. Some unknown person crashed into one of the masonry walls at the entrance and damaged it this week, he added.

In the dredging project at Little River, City Water Supt. Alvin Heft said workmen spent two days clearing the logs and accumulated silt in a 25-foot area ahead of the intake area.

Bob Craig removed the logs and Slough Construction Co. removed the silt, Heft said.

This is the first of a two-part program scheduled by the City Council. Other plans include improving one end of the existing dam where water has damaged the structure.

A "rip-rap" process will be used to strengthen the dam while water flow is low at this time of year, officials said.

Two Plead Guilty, Draw Prison Terms

Two men drew prison sentences upon pleas of guilty Friday in Milam District Court.

Frank Barfield, 23, of Cameron, entered a plea of guilty to a charge of passing a forged instrument and drew a two-year sentence in the State Penitentiary.

And W. L. Burton, about 50, entered pleas of guilty to two charges of passing forged instruments and drew five-year penitentiary sentences in each case, according to County-Dist. Atty. John B. Henderson, Jr.

Contract Contains 10-Week Vacation

NEW YORK, N. Y. — An extended vacation plan of 10 consecutive weeks, with 13 weeks pay, for all eligible employees once every five years, was agreed upon today by Aluminum Co. of America and the United Steelworkers of America, upon completion of 1963 contract negotiations.

The contract covers about 2,000 hourly paid employees at Alcoa operations in Texas. The plants are located at Rockdale and at Point Comfort. The contract also covers hourly paid employees at nine other Alcoa operating locations in the United States.

The new plan applies to all employees with one year or more of service. It is effective January 1, 1964.

Services Pending For Law Henderson

Funeral services are pending in Bryan for Law Henderson, 81, brother of Mrs. John C. Martin, Cameron.

Henderson died at 1:30 a.m. Wednesday in St. Joseph's Hospital. A prominent Brazos County attorney, he also served as director of the Bryan Building & Loan Association. He had lived in Cameron for a short time as a child and was a graduate of the University of Texas Law School.

Survivors include his wife, Mrs. Mary Henderson of Bryan, his sister Mrs. John Martin and his cousin John B. Henderson Sr. both of Cameron.

A recent editorial in The Dallas News cited the wide acceptance of the Texas Reading Club, which includes a program at Cameron Public Library.

There are 120 Texas towns and 179 communities participating this year.

Goal of the program is the reading of 12 books at each child's reading level before August 31. He receives a certificate upon completion of this reading program for the summer.

Cameron is having good success with its summer reading program for older youngsters and even younger ones who are attending reading sessions conducted by interested library boosters and high school students such as Barbara Woodum and Jolene Wied.

Says The News: "It is all highly encouraging to those adults who have been concerned with whether Johnny does read as well as whether Johnny can read."

104-104-104

Reception to The Herald's plan for an Agriculture improvement section has been enthusiastic and widespread. Apparently the desire to work for agriculture improvement through such programs as BIG and on individual basis has sparked this interest.

Feature writer Lloyd Albertson, whose work in The Herald's 1960 Centennial Edition included a finalist nomination on his story about Rockdale-Sandow Railroad, has spent considerable effort in turning out eight basic features about the complex story of agriculture and what is being done to improve it in Milam and Central Texas.

We would like to acknowledge the wonderful co-operation of so many people in Milam County and other information sources around Texas who have helped The Herald compile a brief, but thoroughly researched outline of agriculture through free enterprise and government agencies.

It will appear one week later than planned; we hope and dedicate this work to the hope that Milam agriculture will benefit in some measure by its publication.

104-104-104

A wise man has said: "Shoot high, work hard and hope. If you fail, you will always remember the contest though your aim was poor."

Cook's Attorneys File For Hearing Wednesday Here

Attorneys for Oscar Furman Cook, 23, of Rogers, who is to be tried on a murder charge Monday, have filed a motion for a sanity hearing in Milam District Court.

Filed Wednesday, the petition asked the Court to impanel a jury to determine the sanity or insanity of Cook at the time of the alleged offense May 14 in which Mrs. Dan Crow, of Davilla, was shot to death and three others, including his former wife, Mrs. Velma Cook, were wounded. Cook was indicted by a Milam Grand Jury May 21 on charges of murder and assault with intent to murder.

The petition also said that the "defendant (Cook) has refused to co-operate with council, has proclaimed that he does not need counsel and will not have counsel." It says further that upon examination by competent medical people that "Cook in all probability is a paranoid-schizophrenic." This is a serious mental illness.

Attorneys for Cook are Charles C. Smith, Jr. of Cameron, and Walter M. Hilliard, of Caldwell.

QUEEN NAN, QUEEN LINDA — Preston Perry, of Rockdale, places the queen's crown on little Miss Nan Noack's head following her selection as junior queen in the Milam Farm Bureau contest Friday night. At right, Queen Linda Ethridge, daughter of Mr. and Mrs. Johnnie Ethridge, of Cameron, smiles for the camera after being named 1963 senior MFB queen. Both attractive young ladies were judged on poise, personality and appearance. Miss Ethridge will represent Milam County in the District Farm Bureau Contest at Clifton.

EFFICIENCY PAYS

The difference between operating a mechanical cotton picker properly and handling one skillfully may be as much as \$13.50 per bale or more, points out B. G. Reeves, extension ginning and mechanization specialist. Driving the picker off - center on a row for example - often results in skimming off pieces of bark from the cotton plants and this can result in the loss of a grade. Bark is hard to remove from the cotton at the gin and "barky" sample will be downgraded, Reeves says.

County Agents Notes

Local Soil Tests Show Deficiency

By J. D. Moore
Milam County Agent

It is generally agreed that in the Blackland soils, an average annual return of 3600 to 4000 pounds of dry ground residue (stalks), is required to maintain an adequate level of organic matter in the soil. The residue returned per acre by crops is as follows: Cotton (1 bale per acre) 2,000 to 3,000 lbs.; corn at 40 bushels per acre, 2500 lbs. and grain sorghums making 2,600 lbs. will return near 3,000 lbs. of residue to the soil.

USE OF NITROGEN IN BUILDING ORGANIC MATTER — Nitrogen and carbonaceous residues (stalks, straws, etc.) are used by

soil microbes in production of organic matter. When large quantities of stalks residues are added to soil the microbes use soil sources of nitrogen in reproduction.

When residues with low nitrogen content are added to the soil and are not decomposed before crops are planted, nitrogen deficiency is likely to occur in the crop. Twenty to thirty pounds of nitrogen per acre will help build a good supply of organic matter when applied to maize stubble as it is plowed into the soil.

Most of our soil test show a low level of organic matter. A good supply of organic matter is necessary for storing and holding moisture in the soil, proper air circulation, good root development, helps cool the soil and furnishes food for soil bacteria.

Where high yields are expected, better soil management is necessary in order to get maximum use of fertilizer and other investment cost. A rotation system over a period of years is necessary for building and maintaining a good supply of soil organic matter. When soil tests results are received, organic levels are shown. Farmers should become familiar with their soil management problems if we are to increase net farm income.

Proper Operation Saves Money On Automatic Picker

College Station — The difference between operating a mechanical cotton picker improperly and handling one skillfully may be as much as \$13.50 per bale or more, says B. G. Reeves, cotton ginning and mechanization specialist, Texas Agricultural Extension Service.

Driving the picker off - center on a row often results in skinning off pieces of bark from the cotton plants, he says. Since bark is quite hard to remove at the gin, it may show up in the sample at the classing office. Cotton automatically loses one grade if it is classed "bark" and receives a one percent per pound penalty in the loan, says Reeves.

As an example of what this might mean to you, less say that your cotton has been graded SLM 1-1-16" but was down - graded because of "bark" to LM 1-1-16". The difference in price is \$1.70 per hundred pounds and the additional one cent penalty means a total loss of \$2.70 per hundred pounds or \$13.50 on a 500 - pound bale, Reeves explains.

A properly adjusted, carefully operated cotton picker can save hundreds of dollars a season and is reason enough for making sure the picker - operator keeps the machine centered on the row and does a good job of operating it in the field, says Reeves.

BOLL SEPARATOR
An experimental cotton boll separator, an attachment for stripper harvesters, could mean an improved cotton crop and earlier harvesting for the High Plains, reports the U. S. Department of Agriculture. The attachment was developed by the USDA scientists in cooperation with the Texas Agricultural Experiment Station at Lubbock. The attachment has successfully removed immature cotton bolls from the mature bolls, thus solving a problem that has long complicated early harvesting.

4-H Club Notes

By Charles W. Henson
Ass't. Milam County Agent

In the 4-H Leader Association meeting Monday night, July 22, discussion came up about a 4-H Horse Program. It was pointed out that there are many good prospects which could be reached no other way than through a Horse Program. It was also recognized that Milam county has some talented adults that would make excellent leaders in this field.

The 4-H Horse Project aims to help 4-H members to:

1. Develop leadership, initiative, self-reliance, sportsmanship and other desirable traits of character.

2. Experience the pride of owning a horse or pony and being responsible for its management.

3. Develop an appreciation of horsemanship riding as a healthy and wholesome form of recreation.

4. Learn skill in horsemanship and an understanding of the business of breeding, raising and training horses.

5. Increase knowledge of safety precautions to prevent injury to themselves, others, and their mount.

6. Promote greater love for animals and a humane attitude toward them.

7. To better prepared for citizenship responsibilities through working in groups and supporting community projects and activities.

If you feel that this program would be a benefit to our 4-H members, to other young people, and to Milam county, please express your opinion. We are only in the planning stage so now is the time to express yourselves.

Keep in mind that record books are due in our office no later than August 12. I hope that many will be turned in before that day.

May I say again, if you need any help please come to the office and we will be glad to assist you.

Sons Of Herman Boost Membership

SAN ANTONIO - Spl. - A "Team-Action" Membership Drive involving the 165 Hermann Sons lodges across the state will be held August 1-October 31, according to Fritz Schilo, Grand President of the Order of the Sons of Hermann in Texas.

Special awards will go to members who successfully recommend men, women and children during the three-month period. Its first lodge having been established in San Antonio 10 years ago by Hermann pioneers, the order is now the largest fraternal benefit society in Texas, with more than 56,000 members.

Among the 165 lodges in Texas is Burlington Hermann Sons Lodge No. 235, with Frank Jahn, Rt. 1, Burlington, and Cameron Hermann Sons Lodge No. 140 with E. H. Boedeker, Rt. 1, serving as membership representatives.

Mr. and Mrs. Jim Petruy are in Odessa visiting their son - in - law and daughter Mr. and Mrs. Wendell Kelly.

Teen Roping Sat. At Davilla Saddle Club

The 110 member Town and Country Riding Club of Davilla has announced a teen age roping for 18 years old and under, open jacket and ribbon roping starting at 8 p.m. Saturday.

The Davilla Club with its tree shaded arena draws membership from throughout Central Texas. An outstanding Club, its arena is in use about three nights a week. B. F. Sherwood of Bartlett is president.

Fieslers To Host Trail Ride Saturday

Mr. and Mrs. Herbert Fieseler of Rockdale will sponsor a trail ride leaving Fair Park in Rockdale Saturday at 4 p.m. and riding to Cobbs Crossing.

The Fieslers will be host for supper in the evening and extend an invitation to all who wish to spend the night. Those staying overnight must furnish their own breakfast.

HOT Dairy Assoc. Holds Meeting Here

The Heart of Texas Dairy Improvement Herd Association, composed of members from Bell, Burleson and Milam Counties held a business meeting July 25 at the City Park in Cameron.

J. D. Moore, Milam County Agent spoke to the group and introduced Charles Henson, assistant County Agent.

A codial was held after the meeting with ice cream and cookies served to the members and their families.

A board of Directors meeting has been called for 8 p.m. August 1 at the home of Billie Ellis.

English Workshop

Mrs. Maline Caraway, English teacher at Rockdale High School attended an English workshop at North Texas State University, July 15-21. Reading and listening comprised the theme for the curriculum workshop, co-sponsored for the seventh consecutive summer by North Texas State and the National Council.

Mrs. Jiff Reeder of San Antonio is a visitor here as a guest of her sister, Mr. and Mrs. E. E. Phillips and Mrs. E. Horstmann. Mr. and Mrs. Udell Wandward and son, Dale of Houston have been week end guests of his parents, Mr. and Mrs. Tal Wandward. Mrs. A. J. Pagnozzi and son James and Mr. and Mrs. Harvey Yal all of Austin spent the week end visiting their parents, Mr. and Mrs. G. C. Williams.

17 CenTex Towns Join In Crusade August 4 To 11

TEMPLE - Seventeen Cen-Tex towns and communities will take part in the Layman's Crusade for Christ at Temple's Woodson Field Aug. 4-11.

The Crusade, termed the largest evangelistic event ever held in the area, is interdenominational. It is sponsored by the Temple Pastors Association.

Howard E. Butt, Jr., Corpus Christi business man and one of the state's outstanding lay ministers, will be the speaker for the week-long Crusade. A choir of more than 100 voices, directed by Bill Mann of Dallas, recording artist of religious music, will sing during the services.

Hubert M. Dawson, president of Temple Jr. College and chairman of the area participation committee, has named civic and church leaders in the 17 Cen-Tex towns as committee members.

Committee members include George Swaim, Academy; D. A. Swope Bartlett, Hudson Allen, Belton; W. W. Pittman, Bruceville-Eddy; Carl Von Guten, Buckholts; Judge Don Humble, Cameron; W. G. Engle, Chilton; L. C. McKamie, Gatesville; Calvin Eckermann, Holland; Earl Massey, Killeen; George Swaim, Little River; Mrs. MaryLee Adams, Lott; the Rev. John Ed Francis, Moody; the Rev. Clyde Lee Herring, Rogers; John A. Tarver, Rosebud; Larry Guess, Salado; and Jack Dooley, Jr. Troy.

Temple committee members are Glenn Johnson, Connally Neal, Dr. A. M. Fischer, Frank Kuban, Neil Collier, A. T. Edds, Ocie Maxwell, Lawrence Lee, Boyd Dillard, and Roy Burns.

C. L. Neal of Temple is associate chairman of the committee.

More than 1,000 Temple and Cen-Tex community leaders are taking part in the Crusade for Christ.

Service will begin at 7:30 p.m.

Exam Open For Postmaster Job At Buckholts

An examination for Postmaster at Buckholts, \$5,365 a year, will be open for acceptance of applications until August 13, the Commission announced today. This examination has been announced under revised qualifications standards agreed upon between the Commission and the Post Office Department.

Competitors for the postmaster vacancy in this city must have at least 1 year of experience (education above high school level may be substituted for 6 months of experience) showing that they have the ability to maintain simple records of accounts or that it has given them a knowledge of postal procedures.

Competitors must also show that they are of good reputation and that they can meet and deal with the public agreeably and effectively.

Applicants must take a written test. Those who pass will be assigned final ratings on the basis of this test and on their experience, and fitness for the position. They must have resided within the delivery of the office for one year immediately preceding the closing date of the examination. In addition, they must have reached their 18th birthday on the closing date for acceptance of applications. Persons over 70 years of age cannot be appointed.

Complete information about the examination requirements and instructions for filing applications may be obtained at the post office for which this examination is being announced. Application forms must be filed with the U. S. Civil Service Commission, Washington 25 D. C., and must be received or postmarked not later than the closing date.

Monsanto Promotes Wallis To Supervisor

Russell A. Wallis, Cameron native, has been promoted to maintenance shift supervisor at Monsanto in Texas City. He has been with the company since 1951 as machinist helper, journeyman and leadman. Before moving to Monsanto he worked for Standard Oil of California and Dow Chemical Company.

He also serves as assistant pastor at Northside Baptist Church in Texas City and vice president of the Texas City Little League.

He made his home with his mother, Mrs. Eugene Barnmore at his grandparents, the late Mr. and Mrs. A. N. Weems, while living in Cameron.

Outdoors In Texas

Up in Arkansas at that great fishing lake called Bull Shoals there is an unusual man.

Formerly he was a Chicago executive. Then one day he decided he wanted to become a perpetual fisherman. So Sam Welch moved to the Ozarks and began fishing. While he was on fishing trips his wife got lonesome. So she took a school job.

It wasn't long until neighbors began to talk. They characterized Sam Welch as a fisherman bum whose wife had to make the living.

To save his reputation he had to do something. So he organized the fishing camps around Bull Shoals and became their publicity man. His job now is to check the fish in catches and send the data (via a weekly bulletin) to newspapers and radio-TV stations.

Naturally this information needs varying. So several times a week he samples the water himself. A bit of laboratory work, you know.

When a man likes to fish so well, and is so good at it, he also becomes a philosopher. For instance in one of his recent bulletins Sam said:

"Legends are usually associated with events of an historic nature, going back over considerable passage of time. The Bull Shoals impoundment has been in existence only since 1902, but already rumors of legendary bass of Bull Shoals Lake often when big bass men get together.

"Obviously, every bass that breaks a line and goes its way with a minimum of maximum display of strength doesn't fall into the category of super-linkers.

"For these occurrences are commonplace from one end of the impoundment to the other. What then, is the distinguishing characteristic that puts one bass far ahead of others . . . that separates the chaff from the wheat, or the men from the boys as far as brute strength and fishing ability are concerned?"

"It is the linkers that defies capture, not once but often. And one that is fought by experienced veterans who specialize in big bass fishing.

"There are lots of men, and some women, in this category on Bull Shoals Lake. Naturally, quite a few of them are guides, but others of equal competence have emerged over the years and have built reputations that land them in the weekly box score with considerable regularity.

"Undoubtedly every reporting area of the Lake Association has one or more of these legendary bass in its linker habitats. I don't have sufficient information about

all of them, however, so will have to confine these paragraphs to a couple that I have heard about most frequently. They are indeed something special.

"One of these super-linkers has been a resident of a pocket along a rocky bluff bank near a point on the main channel. He has been hooking on jigs, spinner-lures and live bait. But to no avail as far as landing was concerned.

"One angler — estimates him at 15 pounds or better. But it is seldom indeed that this large-mouth is ever seen. He takes to the branches of submerged trees and racks up another lure on the many limbs . . . At last accounts he was still indulging in his favorite hobby — collecting moments.

"Linker No. 2 is certainly as powerful, if not more so. He resides about midway along a steep ledgy bank in the immediate vicinity of a deep drop-off.

"When I contacted him he zipped off the line (totally unmindful of the hard set drag on the reel) until he reached his sanctuary . . . a sunken tree of better than average size.

"This bass is a master at breaking off lures, and he has the strength to reach his citadel no matter how far away he may be at the time he feels the hook.

"Unless he dies of old age he will continue to raise the hackles of those who know his whereabouts every time they make a cast in his domain.

"The largest bass ever taken from the impoundment was a 13 lb. 4 oz. largemouth caught by Marvin Rushing in April, 1961. According to the scale reading, this linker was going into its ninth year of life, indicating it had been around a full eight years, or thereabouts. Which meant that it took on weight at approximately 1-14 pounds annually. Another 11-9 bass bloomed in to obesity at the rate of almost 2 pounds per year. The impoundment is almost 11 years old. So there should be some large-mouth bass weighing 17 pounds or more . . . in that lake, and still others larger that were river bass of seven pounds or better when the reservoir was created.

"So little wonder there's talk of legendary bass in Bull Shoals. It seems to be fully justified.

"Every time I approached a spot where I have come out second in hand I make the cast almost in fear of the possible outcome. That's what you call respect for what is waiting at the end of the line." Sam makes it sound tempting, doesn't he?

Nets Become Legal For Rough Fishing In Milam County

Fishermen in Milam County will be able to use nets this year according to D. E. Davis, game warden. Davis received a bulletin Wednesday from the Texas Game and Fish Commission which listed the net law change.

The bulletin said in part, under the methods of taking fish:

"In Brazos, Falls, Freestone, Grimes, Limestone, Milam and Robertson Counties, a non-metallic net having a mesh of not less than three (3) inches square for taking open rough fish (any fish not designated rough fish taken in such a net must be immediately released into the waters where taken.)"

Rough fish are Carp, Suckers, buffalo, gar, shad, Rio Grande perch and drum (gaspergou).

Davis also told The Herald that the Quail season opening was moved up to Nov. 16 to coincide with the opening of deer season. It will close Jan. 31.

He said the bag limit would remain the same. That means 12 per day and 36 in position.

Hilltop Lakes Will Host Golf Tourney On New Layout

Hilltop Lakes resort city will sponsor a 36 hole Medal Play Golf Tournament August 3 and 4 on the new golf course.

The tournament will be a big two day affair and the \$15 entry fee will include not only the prizes but also two cocktail parties, a buffet dinner, a bar-b-que and entertainment for the ladies.

Anyone interested in taking part should contact Dudley Bell, the Hilltop Lakes pro, at Box 42A, Normangee.

This is the first year for the course which was built over the last two years. It is carved out of the black jact and post oaks and hickory trees.

Hilltop Lakes is about 65 miles from Cameron and is just off Farm Road 3 north of Normangee.

Booster Club To Host Ice Cream Party

The Cameron Booster Club voted to have an Ice Cream party at 6:30 p.m. August 12 at the City Park.

At the monthly meeting held Monday night Head Coach George Kirk introduced Bobby McQueen and Charles Greer who will be his assistants along with Raymond Bennett.

The new president, LaVert McKinney took over the club from past president John Henderson Jr. at the meeting.

A membership drive is planned for the near future and a ticket sale was discussed by the club.

Little Citizens And Ramblers Are Champ

Woodrow Dorsey and his Little Citizens closed the baseball season as Milam County champions with an 8-3 record. Oliver Baylock's Ramblers also won their division in the county with a 7-3 record.

The two teams will be given a banquet at 8 p.m. Aug. 3 at the West Cameron Park. Guest speaker will be Mr. Evans of Temple.

The Men's softball team lost to Marlin and this gave them a 9-1 record. They will go to Marlin Friday night.

Slowly but surely the Yoe coaching staff is getting ready for the 1963 football season and the fans are ready.

New Head Coach George Kirk introduced his entire staff to the Booster Club at their monthly meeting last Monday.

Added to Coach Raymond Bennett, the only returning coach from last year, are Bobby McQueen and Charles Greer.

Kirk and the staff will start a cramming session at the Texas Coaching School at Houston next week to acquaint themselves with the offense and defense they will be running this year.

"The exact plays and formations will be fitted to the players we have this year," he said. But he has basic ideas in mind.

Kirk intends to use a flip-flop line and huddle to give him best use of the blocking and running ability of his best boys.

The formation will be a wing T and will be similar to the offense that the University of Texas ran last year. There will be a lot

tek, Rufus Lamere, Blane Laywell, Kenneth Leonard, Ernest Provasek and Milton Shuffield. The Managers are W. K. Leonard, Johnny Springer and Pat Dillon.

Final Standings for the Minor League are:
Yankees 11 1 0
Hustlers 7 4 1
Lions 5 6 1
Giants 4 8 0
White Sox 2 10 0
Final Standings in the Little League are:
Cardinals 10 2
White Sox 10 2
Yankees 4 7
Indians 4 8
Bears 1 9

He also intends to use passing quite a bit this year. On defense the Yoemen will be in a six man line most of the time. Kirk said that the scramble for positions is still wide open and he will not decide on who plays where until the leather starts to pop.

Cards Win Two Ball Games Here Sunday

The Cameron Cardinals won two ball games as they defeated the Waco Eagles 12-9 and then went on to drop the Rockdale Lobos 16-0.

Jim Salazar was the winning pitcher against Waco and Moses Mata was the catcher.

In the second game against Rockdale Tony Mendoza was the winner and was relieved in the last two innings by Cookie and Jim Rettig caught him. Cookie homered along with Jim Salazar. John B. White had a double.

This Sunday the Cameron Cards will travel to Marlin to meet the Cubs there.

Congressional Homework Ahead....

Domestic and international crises have slowed to a walk the movement of this Congress — only four "important bills" passed, according to The Christian Science Monitor.

What is the rush of events that slows the movement of the two houses on Capitol Hill?

Since his January State of the Union message, President Kennedy's proposals for numerous major bills, many in well-late, have come to a halt.

Chief among bills approved are: Debt limit increase, a feed grain bill, and extensions of the corporate tax bill and the draft.

Other forces seem to have Congress stymied. They amount to: the tax, still under study; civil rights crisis, basis of the Administration's Title II legislation; the railway crisis, still hanging undecided; and finally the approach of a nuclear test-ban agreement with Russia and Great Britain, expected to clear the House and Senate.

Observers don't expect Congress to finish before Christmas, when usually legislators come home for a summer breather in July.

Whatever the case, they will have a lot of homework before this session is over.

Little League Benefit....

The second Little League benefit game in two weeks is scheduled 8 p. m. Friday at Cameron Park, this time between two ladies teams.

Proceeds will be for uniforms for the 1963 youth plus program next year.

This is fine support for a program that has grown each year since the field was built in 1960. We wish the program continued success and know by the turnouts at nightly games that this one will also be supported by an overflow crowd.

Research Agency To 'Check Boss'

By Vern Sanford
Texas Press Association

AUSTIN, Texas—Texas Legislative Council, research agency for the Legislature, is in the curious position of being asked to take a close look at the ethical standards of its own boss.

Council, meeting in Austin, agreed on a proposed study of conflict of interest questions affecting State officials and employees. Gov. John Connally and Atty. Gen. Waggoner Carr suggested the study as a result of investigations into the private business affairs of former Railroad Commissioner W. J. Murray Jr.

A Travis County grand jury found Murray innocent of any violation of criminal laws during his terms of office. Carr observed in later report that the Murray case raised "a serious question of a conflict of interest" between official duties and private interests. Carr's report said Murray grossed \$1,700,000 during his 16 years on the Commission—most of it from oil and gas ventures. Attorney general recommended "adequate laws" to control "any deviations from ethical standards."

Council will be responsible for conducting research and investigation of possible conflict of interest cases among all State officials—including the lawmakers themselves—with a view toward "improving our present code of ethics."

MORE REPUBLICANS — Another action by the Legislative Council had interesting "two-party" implications.

Rep. Bob Johnson of Dallas was named executive director of the Council, succeeding Read Grandberry who died last year. Johnson has resigned his Dallas legislative post to accept \$15,000-a-year assignment — creating still another vacancy in the eight-man Dallas delegation to the House of Representatives.

This leaves only one Democrat, Rep. Ben Atwell, lined up against

the six incumbent Republicans.

Dallas Republicans surprised themselves and stunned Democrats last year by winning all the legislative races they entered. Speculation then was that the three remaining Democrats on the Dallas House delegation — Reps. Bob Hughes, Johnson and Atwell—would be in for a rough 1964 general election should Dallas Republicans oppose them, and an even rougher time if Barry Goldwater were chosen to head the GOP ticket as presidential nominee.

Hughes recently resigned his legislative post to accept appointment to a judgeship. This caused more speculation about a possible 1964 election sweep by the Dallas Republican organization.

Johnson's resignation has intensified the "Republican sweep" fears. GRAM COURSE ON ANNEXATION—Texas Municipal League will conduct a special one-day "institute" in Austin on August 5. It will be a cram course for Texas municipal officials on the new limiting city annexations.

William Olson, attorney for the League, will moderate a question-and-answer program, followed by a panel discussion featuring Mayor James McCrackin of Kingsville, City Manager H. P. Clifton of Abilene, Planning Director William Anderson of Corpus Christi, and Steve Mathews, executive director of the League.

New law takes effect on August 23. But a provision in the Act requires that annexations pending or initiated after March 15 (1963) must meet terms set out in the measure. Furthermore these in-the-works annexations must be completed by November 23 or become null and void.

RAPID ERADICATING — Few eradication programs have produced such prompt and effective results as the U. S. Department of Agriculture's screwworm eradication plan.

A year ago scientists and field

organization plan, setting salaries for employees, hiring employees from the third-ranking executive down to the secretarial pools and file clerks, purchasing office equipment and furnishings, and so on.

Miskell still hopes to have the agency set up by August 23. That is the effective date of the new law governing the licensing and practices of lending firms who charge more than 10 per cent interest.

A flood of applications is expected from Texas loan companies seeking licenses and inquiring about specific provisions in the new lending regulations.

PROSPERITY, OR WHATEVER IT IS — Texas merchants continue to operate at a high level of retail sales volume.

Total sales show no dramatic increases. But the level for the first six months of this year is about two percent over the 1962 January to June period.

According to the UT Bureau of Business Research Fort Worth and Austin are in the lead with increases of six per cent. Dallas is next with three per cent improvement, followed by San Antonio with plus one per cent.

Cities recording disappointing half-year sales were El Paso, minus one per cent, and Houston, with no change from the 1962 averages.

Workers started the "saturation" release of sterilized flies to conquer screwworm population explosion.

Texas Animal Health Commission reported only 23 screwworm cases confirmed in a 5-day period as opposed to nearly 3,000 cases recorded during a comparable period in 1962.

As further encouragement, the Commission noted that of last week's 23 reported cases, only five were in areas where the program's "controls" were in full effect.

HOW TO BE A COMMISSIONER — Frank Miskell, Texas' first Regulatory Loan Commissioner, is faced with the massive task of creating the agency.

Since state office buildings are filled his first job is finding office space.

Another immediate problem concerns selection of a deputy commissioner. He will assume much of the detailed work involved in establishing a budget and an organization plan.

Rogers Council At Leaders Workshop

ROGERS — The 1963-1964 officers of the Student Council of Rogers High School left Sunday morning for Stephen F. Austin College at Nacogdoches to attend the week-long workshop for officers, sponsored by the State Student Body Association.

Rogers students attending the state workshop are: Barbara Smith, Mary Faye Wright, Carol Mikulas, Johnny Martinez, along with the sponsor, Principal J. L. Chervenka. The group will return to Rogers late Friday.

Student Council officers of Rogers High School have attended the summer workshop and the other state and area meetings since the Council was organized in the fall of 1965 when B. F. Harbor came to Rogers as superintendent.

LIVESTOCK INSTITUTE

The first Livestock and Meat Marketing Institute will be held at Texas A & M College, August 1-2. All sessions are scheduled for A & M's Memorial Student Center. All segments of the livestock and meat industry are expected to be represented.

OLD PHILOSOPHER

Old Philosopher Will Get His Debts Up To National Average If Stores Are Willing

Dear Editor:

I'm always hearing people complain about the national debt and then they shake their head and say, "I don't believe the Federal government will ever get out of debt."

What I'd like to know is, will anybody?

What I mean is, I was reading a newspaper article last week and ran across some figures that gave me so much to think about I haven't been able to settle down to work since, and if I do work out of the slump, I'll hunt up some more.

According to them, since 1947 the Federal debt has increased by 17 per cent, while business firms increased their gross debt by 230 per cent, consumers by 390 per cent, and local governments by 330 per cent.

As you can see by this, the Federal government is falling down on the job. What kind of leadership is it when Washington goes in debt only 17 per cent deeper while state and local governments are going in 330 per cent?

But the thing that fascinated me about the figures is the fact consumers have increased their debts by 390 per cent since 1947.

What I want to know is, how do they do it? Where are the stores? That's the trouble with an article like that, it leaves out the most important part — where can I find

the stores that'll let me run my debts up 390 per cent

As I understand the whole set of figures, everybody, from Washington, to state and local governments to business firms to consumers, is anywhere from 17 per cent to 390 per cent deeper in debt now than he was 15 years ago, and what I want to know is, who's got all this money to lend?

This is what floors me about finances, but in the meantime if you find out the names of any stores willing to let me bring my debts up to the national level of 390 per cent, send me their names quick. It won't be any trouble to find out how much I'd have to buy to increase my debts of 15 years ago by 390 per cent. I know what my debts were 15 years ago; I ought to, I've still got 'em.

Yours faithfully,
J. A.

"And I've really been busy keeping you folks cool!"

Weeks before the official first day of summer, June 21, many Texas thermometers had already topped the 100-degree mark and the temperature has been soaring to record-breaking readings almost weekly since then.

Yes, our summer weather arrived early, but thanks to air conditioning, the heat has been a little more bearable for the thousands of people who have given Reddy Kilowatt the job of removing heat from their homes and providing mountain-cool comfort.

So, if your electric service bill is a little higher than usual, consider how much more work Reddy is doing night and day to keep you comfortable. Electricity is still the biggest bargain in your household budget!

Favorite Food Group Reviews 4-H Series On Meal Preparation

St. Anthony's 4-H Club, "Favorite Food" group, reviewed their status this week as young cuisiniers and found they had learned quite a lot through their meetings conducted during the past club year.

Mrs. Frank Hanel, leader, gave approximately nine demonstrations and lectures. The girls participated in all sessions.

Some of the more important things the children learned, Mrs. Hanel said, were how to use measuring cups and spoons, correct use of kitchen equipment and how to follow recipes with accuracy.

Demonstrations given included making chocolate fudge, sandwiches and banana milk shake, peanut butter cookies, a pie-celery salad, frozen vegetable and fluffy mashed potato, meat salad, peach delight desert, cocoa and broiled wiener sandwiches.

One of the nicest things about the demonstrations, the children said, was afterwards. That was when they got to sample all the cooking.

The meetings were held at Simon-George Hall where a large kitchen and work-area was readily available.

Mrs. Hanel and the club members were busy this week completing 4-H record books which tabulate and record their year's work.

Mrs. Dana Monroe Honors Mrs. Stroup At Informal Coffee

Mrs. Dana Monroe was hostess for an informal coffee Saturday morning honoring her sister, Mrs. L. W. Stroup.

The coffee was from 9:30 to 10:30 at the H. H. Steadman home. Mrs. James Wiggs and Mrs. C. G. Swift alternated at the coffee service. Others in the houseparty were Mrs. Hillard Thomas, Mrs. Make McDermott, Mrs. Niley Smith, Mrs. W. L. McIntosh and Miss Jane Monroe. Mrs. H. V. Harmon Jr. of Waco, sister of the honoree and hostess, was a special guest.

Mrs. Stroup and three children will be in Cameron for the month of August enroute from Nova Scotia to Arizona. Col. Stroup will join them here for a short vacation before reporting to his new station.

Bridal Shower Fetes Miss Whittingham

Miss Ruth Whittington of Cameron, bride-elect of Roger Williamson of San Marcos, was honored with a bridal shower at the home of Mrs. Cecil R. Criswell in Buckholts.

In the receiving line were Mrs. Criswell, Miss Whittington, Mrs. C. W. Whittington, mother of the bride-elect, and Mrs. John Williamson of San Marcos, mother of the groom to be.

Refreshments of cake squares, punch, and nuts were served in the dining room. A white lace tablecloth covered the dining table and appointments were of silver and crystal. The table and buffet held twelve burning white tapers held in silver candle holders, entwined with English ivy. The centerpiece was baby yellow chrysanthemums, fern and yellow tulle on a mirror reflector. "Ruth and Roger, August 3, 1963" was inscribed in silver lettering on yellow streamers on the serving table and on the registration table.

Hostesses were Mrs. Criswell, Mrs. C. S. Raney, Mrs. Elmer Williams, Mrs. Kenneth Janicek, Mrs. Gene Beyer, Mrs. Tal Woodward, Mrs. Leon Brady, Mrs. Edwin Gandy and Mrs. Ed Kolba. Others in the houseparty were Mrs. Stanley Glaser, Miss Kaye Horstmann, and Miss Janie Brady.

Special guests were Mrs. Whittington and Mrs. Williamson, mothers of the couple. They and the honoree were presented with yellow carnation corsages.

Sixty-five guests registered in the bride's book, and the gifts were displayed throughout the house.

Reception Honors Miss Anita Archer

Miss Anita Archer, bride elect of Mr. Charles Arthur Wallace of Houston was feted with a gift reception in the recreation room of the First Christian Church on Monday evening at 8 p.m.

The serving table was covered with white net over taffeta. Dainty nosegays of sugar and spiced orange blossoms caught in apricot tulle were placed at vantage points to carry out the chosen color of the bride. The table was centered with an all white summer arrangement of flowers flanked by crystal candelabra. Punch, nuts and cake square were decorated with an apricot rose was served from a crystal service.

Special guests were Mrs. C. H. Wallace of Houston, Mrs. Bennie L. Archer, Mrs. S. H. Curlee of Rockdale, Mrs. Jesse Hart and Mrs. Doss Brown, all aunt's of the bride elect.

Hostesses were Mrs. E. D. Schiller Jr., Mrs. Gordon Baskin, Mrs. Lorraine Arnold and Mrs. Alvin Mullins.

Dinner-Dance Fetes Miss Anita Archer

A dinner-dance in Waco Thursday evening honored Miss Anita Archer, bride elect of Mr. Charles Arthur Wallace of Houston.

Hosts for the dinner-dance were Rocketdyne engineers and their wives.

Miss Archer also received her 1 year gold pin from North American Aircraft.

MRS. RONNIE BACKUS

Miss Reynolds, Mr. Backus Wed

In a double ring ceremony performed at 2 p.m., Sunday, July 21, at the First Baptist Church in Cameron, Miss Barbara Reynolds became the bride of Ronnie E. Backus of Dallas. Rev. Harrison Mc Lerran officiated.

The bride is the daughter of Mr. and Mrs. O. H. Reynolds of Cameron. The bridegroom is the son of Mr. and Mrs. Thomas E. Backus of Clarksville.

Basket of white gladioli decorated the church. Miss Karen Adams was the organist, and Miss Marianne Jones sang "Because" and "The Lord's Prayer".

The bride, given in marriage by her father, wore a floor length gown of silk organza and chantilly lace. The sabina neckline of her gown was trimmed in lace to match the short cap sleeves. The bouffant skirt was accented with lace trim. She wore an all-over imported lace mantilla that came to the waist of her gown and fell from a simple bandeau of matching lace.

She carried a cascade bouquet of white roses centered with a yellow-throated orchid atop a white Bible.

Mrs. Bill Reynolds of Big Springs was her sister-in-law's matron of honor. Bridesmaids were Miss Margie Wise of Dallas, Miss Beverly King of Houston, and Miss Donna Backus, sister of the bridegroom, of Clarksville.

Attendants wore identical street-length dresses of pale yellow, dyed to match shoes and pale yellow veil hats. They carried cascades of bouquets.

Jerry Kostroun To Wed Miss Polansky

Mr. and Mrs. Frank J. Polansky Sr., of West, announce the engagement and approaching marriage of their daughter Agnes to Jerry L. Kostroun, Jr., son of Mr. and Mrs. Jerry Kostroun, Sr.

The bride-to-be is a 1962 graduate of West High School. She is employed at State National Bank in West.

The prospective bridegroom is a 1959 graduate of Yoe High School and is employed at Alcoa in Rockdale.

The wedding is set for August 31 at the church of the Assumption in West.

Barteks Honored On Golden Wedding

Mr. and Mrs. J. R. Bartek of Ft. Worth were honored on their golden wedding anniversary Sunday at the home of her sister, Mr. and Mrs. Will Morschak of Rogers.

The couple married July 22, 1913 in Bell County where they lived for five years before moving to Ft. Worth.

Personal Mention

Mr. and Mrs. Don Howard and 20 month Tammy, are now making their home in the John S. Batte house on Country Club Road. The Howards moved to Cameron from Dallas last week. He will be associated with his father, Max Howard at Howard Chevrolet.

Miss Jane Henderson of Washington D. C. spent the past week in Texas on a special recruiting trip for the Peace Corps. Miss Henderson and two other Peace Corps workers visited Texas College Campuses to talk to prospective Peace Corps volunteers. She will spend several days visiting in Cameron with her parents, Mr. and Mrs. John B. Henderson Sr., before returning to Washington.

Miss Linda Miller, daughter to Mr. and Mrs. B. L. Miller, is attending Nixon-Clay Commercial College in Austin.

Mr. and Mrs. E. L. Burnett of Clute and Mrs. Willie Burnett of Jones Prairie left Saturday to visit their brother N. L. Burnett and other relatives in North Carolina.

Mr. and Mrs. Will Biskup have returned from California and visited their children in Houston the past weekend.

EFFICIENCY PAYS

The difference between operating a mechanical cotton picker properly and handling one skillfully may be as much as \$13.50 per bale or more, points out B. G. Reeves, extension ginning and mechanization specialist.

Driving the picker off - center on a row for example, often results in skimming off pieces of bark from the cotton plants and this can result in the loss of a grade.

To my customers and friends,

I wish to announce that I am no longer associated with Burkes-Howard Chevrolet Co. For twenty-three years it was a pleasure to serve you and I trust you will still let Howard Chevrolet and Implement Co., fill your needs.

Thank you and best wishes

Proposed CONSTITUTIONAL AMENDMENT

NUMBER ONE ON THE BALLOT

**PROPOSED CONSTITUTIONAL
AMENDMENT TO BE VOTED
ON AT AN ELECTION TO BE
HELD ON NOVEMBER 5, 1963.**
SENATE JOINT RESOLUTION
NO. 1 proposing an amendment to
Sections 2 and 4 of Article VI of the
Constitution of the State of Texas
so as to repeal the provision making
payment of the poll tax a require-
ment for voting and so as to author-
ize the Legislature to provide for
the registration of all voters.

BE IT RESOLVED BY THE LEG- ISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 2 and 4
of Article VI of the Constitution of
the State of Texas be amended to
read, respectively, as follows:

"Section 2. Every person subject

Take your problems to Church this week —

millions leave them there!

An Umpire Must Be Quick Of Perception
And Tell The Truth With The First Word Spoken

We cannot all hope to be as quick and accurate in our decisions as a professional umpire, but we can hope to attain the habit of fairness and honesty in all dealings with our associates.

In life and the world of business one cannot always employ the impersonal attitude of an umpire. One must often practice discretion and use consideration for our fellow men. In other words never forgetting the application of the Golden Rule, "Do unto others as you wish to be done by."

The next time you are presented with an ethical problem, that troubles your conscience, go to your church and let your God be your UMPIRE.

In The Service...

WITH SWIFT STRIKE III FOR-
CES in the Carolinas — Captain
George G. Griffith of Jackson,
Miss., is one of the Air Force's
Tactical Air Command (TAC)
members now providing combat
air support for ground forces in
exercise Swift Strike III being held
in this area through August 16.
Capt. Griffith, son of Mrs. May
H. Griffith of 837 Combs, Jackson,
is a F-100 pilot. He and other
TAC personnel are flying and main-
taining more than 500 combat and
assault aircraft involved in the
U. S. Strike Command training
maneuver.

New techniques, concepts and
equipment are being tested to bet-
ter develop independent and cen-
trally controlled tactical air power
as the most effective means of
supporting land operations. Air
Force tactical air support will get
emphasized attention during a spe-
cial flying phase of the exercise.
Captain Griffith, whose wife is
the former Kay Mondrik of 715 E.
10th, Cameron, is permanently as-
signed to a TAC unit at McConnell
AFB, Kan.

PORT POLK, La. (AHTNC) —
Army Pvt. Joe L. Gibson, son of
Mrs. Lora Gibson, Route 4, Cam-
eron, is scheduled to complete
an eight-week supply handlers' cou-
rse at the U. S. Army Training
Center, Fort Polk, La., Aug. 30.
Gibson entered the Army last
April and completed basic combat
training at Fort Polk, La.
The 22-year-old soldier attended
Branchville High School.

Tracy—
Ice Cream Social
To Be Held Sat.

The Bible study that has been
on Wednesday night will be dis-
continued for the next two weeks.
Rev. Lancaster will not be here.
Saturday night is our regular
social night and will be an ice
cream supper. Everyone is invit-
ed.

Mr. and Mrs. Elbert Fischer,
and children Allen and Delores
Lawrence of Austin spent the week
end with Mr. and Mrs. Garlon Law-
rence.

D. C. Drummond of Houston
spent the weekend with his par-
ents.

Mrs. Lenza and Clyde Caley and
Mrs. Willie Schwarz attended the
coronation of the Farm Bureau
Queen, in Cameron Friday night.

Miss Gloria Roseler of Dallas
is spending her vacation with her
parents and family Mr. and Mrs.
Bill Roseler.

Steve and Judy Young of Cald-
well are visiting their grand par-
ents Mr. and Mrs. George Young.
Mr. and Mrs. David Pope of
Houston were weekend guests of
Mr. and Mrs. Otis Charles and
J. D. Pope family. They also at-
tended the Dittmar - White wedd-
ing in Rockdale Saturday night.

Major Conoley was awarded the
medal for his outstanding perfor-
mance of duty while serving as
director of personnel here.

The major is the son of Mr.
and Mrs. F. R. Conoley of Thoro-
dale. A graduate of Thorndale High
School, he received a B. A. degree
from Baylor University.

He is married to the former
Maxine Ellis of Caldwell.
